ICAR-CENTRAL TUBER CROPS RESEARCH INSTITUTE
Sreekariyam, Thiruvananthapuram 695 017, Kerala

List of Institute, Externally aided and Developmental projects
(April 2023-March 2024)

Institute Projects

Project Title	PI	Co-PIs
HORTTCRISIL 202001601472 Mega Project 8: Developing methodologies and tools for assessment and transfer of tuber crops technologies	Sheela Immanuel	
Project 1: Technological interventions and documentation of farmers' innovations including ITKs in tropical tuber crops	D. Jaganathan	Sheela Immanuel, P. Prakash V.S. Santhosh Mithra P. Sethuraman Sivakumar G. Suja, R. Muthuraj H. Kesava Kumar P. Murugesan, T. Krishnakumar M. Nedunchezhiyan
Project 2: Upscaling tuber crops technologies for promoting food and nutritional security	P. Sethuraman Sivakumar	P. Prakash, M. Nedunchezhiyan T. Krishnakumar K. Laxminarayana Sheela Immanuel, J. Sreekumar CC-PIs Mahesh Tengli , CAU(I), Umiam; Shanmughasundaram B., (RARS Pattambi); M. Elavarasan, (KVK, Tenkasi); P. Mooventhan, (ICAR-NIBSM, Raipur), Bineeta Satpathy, (RPCAU, Pusa); Sandeep K. Panda, Kalinga (KIIT, Odisha); Ipsa Mohapatra (KIMS, Odisha)
Project 3: Mapping of women's empowerment in tuber crops cultivation for engendering research and development	Sheela Immanuel	D. Jaganathan, P. Prakash P. Sethuraman Sivakumar
Project 4: Impact assessment of technologies of tropical tuber crops	P. Prakash	D. Jaganathan, Sheela Immanuel J. Sreekumar, Prabhat Kishore ICAR-NIAP, New Delhi
Project 5: Development of intelligent	V.S. Santhosh	S. Sunitha, D. Jaganathan

smart technologies for tuber crops	Mithra	
Project 6: Generation and application of statistical and bioinformatics tools for tuber crops research and development	J. Sreekumar	Senthilkumar K.M. Visalakshi Chandra C., Sujatha T.P.
